

Reventive is a national group of united,

top-ranked independent manufacturers' representatives

specializing in the cleaning industry.

# National Reach | Local Touch

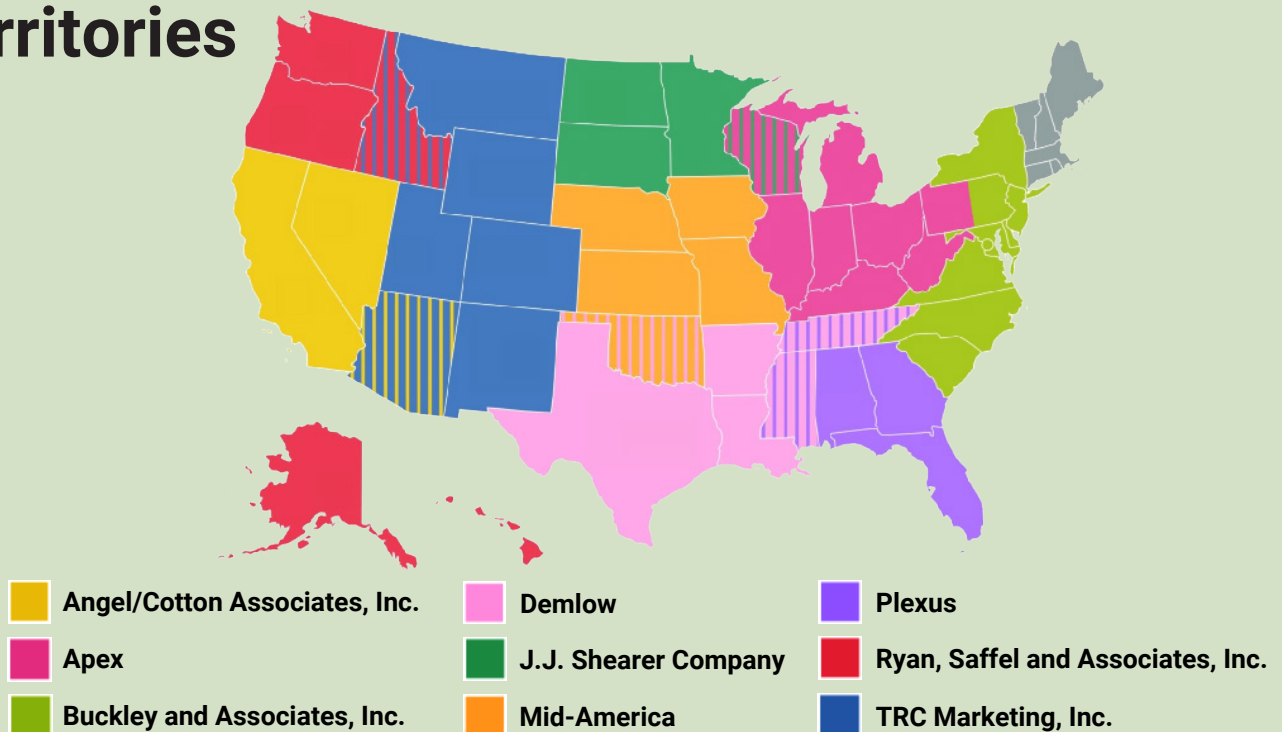

Reventive is the first member-owned national sales and marketing group in the cleaning industry dedicated to increasing value for premier manufacturers.

Reventive is a united, cohesive group committed to higher standards of representation through shared best practices which increases operational efficiencies and consistently delivers better results. Reventive members are known for:

- Representing quality manufacturers
- Outstanding performance
- Long and successful relationships
- Independent ownership

## Territories

States with vertical lines indicate overlapping Rep Group territories.

Working with top tier companies, Reventive supports and implements manufacturers' products' sales and marketing strategies. The collective group operates in every territory in the US and provides customized, superior local market knowledge and expertise in each region.

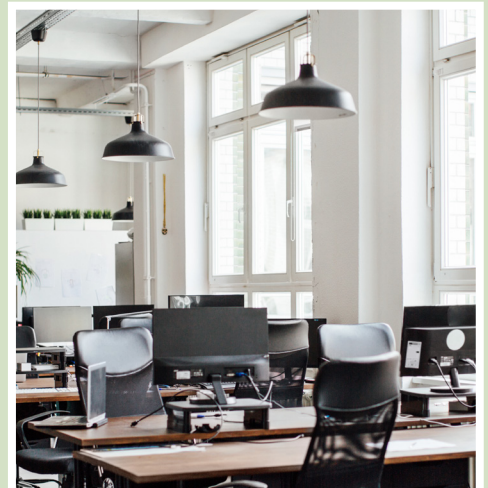

# National Reach | Local Touch
